MEMORANDUM FOR: Director of Personnel

SUBJECT: Review of Career Management Activities

REFERENCE: Memorandum for Deputy Director for
Intelligence from Director of Personnel,
same subject, dated 22 July 1964

As requested by the reference, attached are copies of regulations from the various DD/I offices pertaining to career management activities. We believe that the collection is complete, but a casual review of the publications shows that many are quite old and some are outdated. As workloads permit, we are reviewing these publications with a view toward revising and updating them.
